NEIGHBORHOOD REINVESTMENT
PROGRAM GRANT

ORGANIZATION NAME: National Christian Information Center Inc.
TITLE OF GRANT REQUEST: Mobile Command Center

Purpose of grant: (Describe the purpose for which you are seeking grant funding. If your request consists of multiple components, please describe each item in priority order and indicate the associated amount requested. A higher priority shall be given to requests for capital projects and/or one-time expenses.)

The purchase of a RV (mobile command center) and critical electronic equipment will make our operations much more effective, as well as cut team costs for travel and accommodate family members while on an operations. This will also enable us to increase the number of missing child cases that we can handle and ultimately help to locate and recover more children before they become victims of sex trafficking. Please see itemized costs below:

*Class 'A' RV: \$212,500

-Includes: tax, license, registration, insurance (\$17500), extended warranty (\$5,000), extended maintenance agreement (\$5,000), custom logo/paint (\$10,000)

*Electronic Equipment: \$27,500

-Includes: radio repeater extender (\$10,000), WIFI satellite extended coverage software & antennas (\$10,000), anti-piracy software for repeater & WIFI system (\$5,000)

Enhanced physical security system: \$2,500

QUESTIONS 1 & 2 WILL BE USED TO HELP EVALUATE YOUR PROPOSAL

1. Briefly describe how your organization measures or plans to measure the (positive) impact of activities/operations proposed in the community. Provide an estimate of how many people will be served.

Since 2014, Saved In America has assisted in locating and recovering 82 runaway and missing. In just the last year alone, we have recovered 38 of which 60% were recovered before falling victim to sex traffickers. These children were recovered at a cost of \$5,500 per recovery, but these efforts are done at no charge to families or law enforcement. Having the mobile command center will enable us to expand our efforts and be much more flexible and effective with our manpower. In addition, it will be a safe and comfortable place for family members to stay before, during and after an operation. We believe we can increase the number of operations we take on by 50-60%.

2. What other funding partners/sources do you have for this project?

Not confirmed yet, but will seek sponsors. Also, some proceeds from annual fundraising event will go toward this project.
